NAMES IN BLACK = new in 2010

NAMES IN GREY = recleaned 2010

NAMES IN WHITE = existing line

1. **SEX** (.10a). 2010. Start right of a block. Stem off the block to gain a steep corner. (An alternate start is on the right, up a steep jugs and hand jams.) From where the two starts join, follow a whaleback arête to a steepening headwall. Handrail *right* (big gear), then layback to the top. 2 bolts + gear to 4". FA: J. Burbee & J. Frimer
2. **DRUGS** (.10b). 2010. Start atop a block. Step right into a shallow corner. Follow the thin, awkward corner to a V-slot. gear to 2". FA: J. Burbee & J. Frimer
3. **ROCK AND ROLL** (.10a). 1985; recleaned 2010. Start at the same place as *Drugs*, only climb straight up a deep, left-facing corner. Step right and finish as per *DRUGS*. gear to 3". FA: I. Christiansen
4. **MR. BLACK** (.8 /.9). 2010. Start in a left-facing corner with 2 tree stumps then move right to one of two left-facing corners. The larger (nearer) is 5.8, the further is 5.9 and more recommended. gear to 3". FA: J. Frimer
5. **SEAM OF DESTINY** (.10a). 2010. Start in a left-facing corner with 2 tree stumps (same start as *MR. BLACK*). Above the corner climb straight up the splitter seam to a tricky crux. gear to 2" + RPs. FA: J. Burbee & J. Frimer
6. **SPHINX'TER QUILTS** (.8). 1986. An interesting face climb. FA: G. Payan, J. Thompson
7. **MALARIA** & **NO-SEE-UM** (.9). 2008-10. Climb past a triangular block (crux) then either go
 - a. left via a hand crack toward *Malaria* (FA: J. Turley, G. Hanzal), **OR**
 - b. straight up into a V-shaped chimney (*No-see-um* FA: S. Frimer, P. Backhouse, & J. Frimer)
8. **MOSQUITO** (.8). 1980. The area classic. FA: J. Campbell & A. Hughes
9. **S-M'S DELIGHT** (.10b). 1980. Harder than it looks. FA: J. Campbell & P. Kubik
10. **TWO SCOOPS** (.12b/c). 2007. A left-facing corner marked by a block low down. A bouldery crux requires a hand/heel hook match, then a flaring hand jam to pull over a bulge. FA: J. Blumel
11. **PINBALL MACHINE** (.10b). 1995. A left-leaning crack at the left edge of the cliff. Mossy... could use a recleaning. FA: W. Dorling & C. Moorhead
12. **CURRY THE DOG** (.8). 1995; recleaned 2010. Directly above *S-M'S DELIGHT*, climb a short finger crack. gear to 2". FA: W. Dorling & R. Dorling
13. **ALIEN SEX FIEND** (.11a). 1983. Face climbing and mantles. FA: D. Hart, B. McDonald, & K. McLane
14. **PHLEGMISH DANCE** (.8). 1978. Fingers and hands in a corner. FA: P. Croft
15. **ROLLING STONES** (.8). 1986. An overgrown rampy crack, up and left. FA: I. Christiansen & R. Rybak
16. **MY GENERATION** (.7). 2010. A short hand crack. gear to 2". FA: J. Frimer
17. **RUBBER SOUL** (.9). 1986; recleaned 2010. Transfer from a fingery, right-facing flake to a face crack. gear to 1". FA: R. Rybak & I. Christiansen
